

# AFFORDABLE PRESCRIPTION ASSISTANCE

---

*Medications Made Affordable*

## WHY AGENTS ARE USING THIS

- Recurring monthly income on referrals you are already sending out.
- Save deals by providing solutions for clients who can't afford their medications.
- No licensing requirements (no NPN or E&O needed).
- This is a membership-based program, not insurance.
- Helps clients access brand-name medications they otherwise couldn't afford.

## HOW TO SELL

### Step 1: Check Medication & Eligibility Requirements

- Use: [pap-lookup.com](http://pap-lookup.com)
- If a medication is not listed, contact Agent Support; we may still be able to assist in finding the prescription and available options.

### Step 2: Select Plan Level

- Based on the number of prescriptions.
- The client may select a higher plan level for future needs.

### **Step 3: Complete Enrollment**

- Please ensure the member signs the terms and conditions electronically during the initial call and that the first month's payment is successfully processed.

### **Step 4: Transfer to Complete Enrollment**

- Call: **754-280-0817**
  - Enrollment must be completed and a member ID issued before transferring the client.
-

## **FREQUENTLY ASKED QUESTIONS**

### **What is this program?**

This is a prescription advocacy service that helps individuals access financial assistance programs offered by pharmaceutical manufacturers to reduce the cost of brand-name medications.

**Is this insurance?**

No. This program does not replace insurance. It helps locate manufacturer assistance programs.

**Do you provide prescription discount cards?**

No. We do not work directly with pharmacies or provide discount cards.

If needed, recommend: [ScriptDiscounts.com](https://ScriptDiscounts.com)

**Do you work with pharmacies?**

No. We assist in identifying manufacturer programs, not pharmacy-based solutions.

**How is eligibility determined?**

Eligibility varies by medication and manufacturer, typically based on income and household size.

**What counts as household size?**

- Any family members listed on your tax return, including yourself, your spouse, and any dependents (if applicable).

**What information may be required?**

- Proof of income
- Prescription information

**Will a doctor need to be involved?**

Yes. Most programs require a prescription, provider signature, and medical details.

**What if someone does not qualify?**

We will review alternative medications that may have different eligibility requirements and help identify other possible options.
